TSX-V: WCB

July 6, 2011

WCB Resources Ltd. Arranges Private Placement

WCB Resources Ltd ("WCB" or the "Company") (WCB - TSX.V) is pleased to announce that it has arranged a non-brokered private placement 5 million units at a price of \$0.20 per unit for gross proceeds of \$1 million. Each unit will consist of one common share in the capital stock of WCB and one-half of one common share purchase warrant. Each whole warrant will entitle the holder to acquire one common share for \$0.35 for a period of 12 months from the date of issuance.

The proceeds from this private placement will be used for general working capital and exploration activities. In addition to progressing its existing Red Hill and Maroon projects, the Company is increasing its efforts to add to its portfolio.

This financing is expected to close by July 15, 2011. This financing is subject to the approval of the TSX Venture Exchange.

About WCB Resources

WCB Resources is a minerals exploration and development company that brings together a strong, interdisciplinary, and proven management team with the ability to take a project from discovery right through to operation. The Company was listed in April 2010.

WCB's strategy is to build shareholder value through acquisition, exploration and development of copper gold projects. This strategy is being developed by a synthesis of WCB's core skills in project evaluation, structured acquisition, exploration and project development and operations, areas where WCB directors and executives have significant experience.

We believe that our capabilities and experience, combined with an efficient corporate structure, provide tremendous potential upside for investors. WCB Resources is engaged in an ongoing search and evaluation of additional copper gold projects in various regions around the world.

On behalf of the Board of Directors

Cameron Switzer
President and Chief Executive Officer
WCB Resources Ltd.
