About WCB Resources

WCB Resources is a minerals exploration and development company that brings together a strong, interdisciplinary, and proven management team with the ability to take a project from discovery right through to operation. The Company was listed in April 2010.

WCB's strategy is to build shareholder value through acquisition, exploration and development of copper gold projects. This strategy is being developed by a synthesis of WCB's core skills in project evaluation, structured acquisition, exploration and project development and operations, areas where WCB directors and executives have significant experience.

We believe that our capabilities and experience, combined with an efficient corporate structure, provide tremendous potential upside for investors. WCB Resources is engaged in an ongoing search and evaluation of additional copper gold projects in various regions around the world.

On behalf of the Board of Directors

Cameron Switzer
President and Chief Executive Officer
WCB Resources Ltd.
