Cameron Switzer, WCB President & CEO Joins WCB Full Time

WCB Resources Ltd ("WCB" or the "Company") (WCB - TSX.V) is pleased to announce that Cameron Switzer, the Company's President and CEO will joining WCB on a full time basis. Mr. Switzer has been the President and CEO of WCB since the completion of the Company's qualifying transaction in April 2010 but maintained a number of senior corporate responsibilities in other companies. Moving forward, Mr. Switzer will devote his time to WCB on a full time basis.

Mr Switzer is a geologist with in excess of 24 years experience gained in Australia, Asia, Central, South and North America as well as the Caribbean. His range of skills includes grassroots exploration, project evaluation, definition and feasibility studies to commercialization. He has worked for major companies including Newmont, Newcrest, Acacia Resources and MIM Exploration Limited in senior roles. He has provided high level geological consulting services for the last seven years in a multitude of Au and Cu-Au related hydrothermal systems. Mr. Switzer holds a B.Sc. from each of the University of New England and an Honours Degree from James Cook University. Mr. Switzer is a member of the Australian Institute of Geoscientists and of the Australian Institute of Mining and Metallurgy. He is currently a non-executive director of Australian listed GBM Resources Ltd., an Australian junior explorer focusing on significant Cu Au assets in the Cloncurry region.

The Board is very excited about Mr. Switzer's increased involvement as the Company's strategy will now be accelerated. Mr. Switzer has a proven track record of identifying and exploring valuable exploration and development projects, having worked in and developed working relationships in many of the world's most prospective mineral areas.

Identifying additional projects for WCB is a high priority and Mr Switzer is ideally qualified.

About WCB Resources

WCB Resources is a minerals exploration and development company that brings together a strong, interdisciplinary, and proven management team with the ability to take a project from discovery right through to operation. The Company was listed in April 2010.

WCB's strategy is to build shareholder value through acquisition, exploration and development of copper gold projects. This strategy is being developed by a synthesis of WCB's core skills in project evaluation, structured acquisition, exploration and project development and operations, areas where WCB directors and executives have significant experience.

We believe that our capabilities and experience, combined with an efficient corporate structure, provide tremendous potential upside for investors. WCB Resources is engaged in an ongoing search and evaluation of potential world class copper gold projects in various regions around the world.
